Don't get me wrong, I love my first entry, but at the very least it is unique; this one is not. Instead, this one is a more generic, mediocre double. The theme is shock, public humiliation, and/or torture. So far I've only completed three of the nine entries, and quite frankly, this is one of the worst. I would not be embarrassed to put this on my blog, but if anyone ever found this they'd be quite embarrassed to find this on my blog. I have two versions of this one, both versions are hand-drawn and scanned. The back of the scan gives you a "sketch" description of what's happening. Version 1 Version 2 Treat yourself to a viewing, stay tuned later this week for number four! Like this? Check out more of my Vector and Comics here! PreviewMicrobial remediation of soil-polluted areas by using antagonistic non-stressed and stressed Lactobacillus plantarum strains. The significant improvement of the organoleptic properties of onion, lettuce and tomato, produced on plots contaminated by PAHs and/or As, treated 6d1f23a050
